

**RESOLUTION NO. 2024-49**

**Amending supervisory district boundaries to reflect annexations**

Executive Summary

On November 9th, 2021, the Jefferson County Board of Supervisors adopted Resolution Number 2021-43 which established 30 supervisory districts for the purpose of electing the Jefferson County Board of Supervisors. Wisconsin Statute s. 59.10(3)(c) allows the County Board of Supervisors to amend its supervisory district plan to reflect city and village incorporation, annexation, detachment or consolidation which has occurred since its last adoption or amendment, and to make such adjustments to supervisory district boundaries as may be appropriate for purposes of election administration. It is common practice for cities and villages to assign the area being annexed to the adjacent ward within their corporate limits and the County Board to amend supervisory district boundaries to match the new corporate limits.

This resolution amends the supervisory district boundaries to reflect the two annexations that have occurred since the last County Board review on November 14, 2023. The annexations are described in detail below and the attached maps identify the annexations. The Executive Committee considered this resolution on September 25, 2024, and recommended forwarding to the Jefferson County Board for adoption.

WHEREAS, the Executive Summary and attached maps are incorporated into this resolution, and

WHEREAS, Resolution Number 2021-43 established 30 supervisory districts and their boundaries within Jefferson County, and

WHEREAS, two annexations have occurred since the supervisory district plan was last amended on November 14, 2023, and

WHEREAS, the table below shows the current supervisory districts and the proposed amendments to the supervisory districts to reflect recent annexations,
