Robert Sorenson, Attorney
223 North Pine Street
Hortonville, WI 54944

Dear Mr. Sorenson:

The proposed annexation submitted to our office May 11, 2004 is on hold because no fee was included with the petition and also because of needed legal description and map information.

Regarding the fee, enclosed please find a 2001 announcement setting fees for the review of annexations, and please also find enclosed a *Request for Annexation Review* form. Please complete the form and attach a check or money order payable to Wisconsin Department of Administration.

Enclosed please also find a copy of the Wisconsin statute sections setting forth the requirements for describing proposed annexed territory. The statute requires a metes and bounds legal description and a scale map reflecting the legal description, showing the boundaries of the annexing jurisdiction, and including a graphic scale.

The legal descriptions provided in your submittal for the 8 parcels are not metes and bounds descriptions. Your scale map appears to be a copy of a plat book map. It does not reflect a legal description or show the boundaries of the annexing jurisdiction, and instead of showing the eight parcels described in the petition, it shows three.

Wisconsin law requires clear and accurate legal descriptions and scale maps because so many people and organizations are affected by municipal boundary changes, including area land owners, businesses, jurisdictions, the U.S. Census Bureau, the legislature, state agency programs, non-profit organizations, and others. To assist you, I have enclosed an example of a metes and bounds legal description and scale map. You may want to consult with a surveyor or staff from the town or village, or Outagamie County.

Also, for your reference please find enclosed 2003 Wisconsin Act 317 which makes a number of changes to annexation law.

I am sorry to put your annexation on hold and do not do so lightly. Our 20-day review period will commence upon the receipt of a fee and legal description and map information compliant with 66.0217(1). Please contact me at (608) 264-6102 with any questions.

Sincerely,

Erich Schmidtke

Subject: CLEGG ET AL ANNEXATION

Section 66.0217 (6), Wis. Stats., provides that the annexation of lands to cities and villages within a county having a population of 50,000 or more shall be reviewed by the Department of Administration in order to determine if the proposed annexation is in the public interest or against the public interest. The proposed annexation from the Town of Hortononia to the Village of Hortonville (see attached description) must be reviewed pursuant to the statute.

To assist us in making this determination, we urge that you promptly supply the data requested on the enclosed questionnaire (where possible) and return the questionnaire to the department.

The purpose of this questionnaire is to assist the department in determining "Whether the governmental services, including zoning, to be supplied to the territory could clearly be better supplied by the town...." The statute further stipulates that the department shall study the "shape of the proposed annexation and the homogeneity of the territory with the annexing municipality." In addition, we would appreciate receiving from you any comments or information bearing on governmental services or shape and homogeneity that would indicate whether the annexation is in or against the public interest.

Our reply must be prepared within a very limited statutory deadline. Please return the questionnaire no later than June 30, 2004 so that the information can be reviewed prior to the department's statutory deadline of July 6, 2004. Direct any questions and comments to Erich Schmidtke at (608) 264-6102 or George Hall at (608) 266-0683. Thank you for your cooperation.

Enclosed please also find 2003 Wisconsin Act 317 which makes a number of changes to annexation law. In order for this annexation petition to be considered for adoption as an ordinance, the proposed annexation will be need to comply with this law.

Subject: CLEGG ET AL ANNEXATION

The proposed annexation submitted to our office on May 11, 2004, has been reviewed and found to be in the public interest.

The subject petition is for territory that is reasonably shaped and contiguous to the Village of Hortonville.

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of state a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Secretary of State. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. The address of the Office of the Secretary of State is:
