PETITION FILE NO. 14723

GINA KOZLIK, CLERK
CITY OF OCONOMOWOC
PO BOX 27
OCONOMOWOC, WI 53066-0027

LORI OPITZ, CLERK
TOWN OF OCONOMOWOC
W359 N6812 BROWN ST
OCONOMOWOC, WI 53066-1108

Subject: DRISCOLL ANNEXATION

The proposed annexation submitted to our office on December 12, 2024, has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city..." so as, to ensure the resulting boundaries are rational and compact. The statute also requires the Department to consider whether the annexing city or village can provide needed municipal services to the territory. The subject petition is for territory that is reasonably shaped and contiguous to the City of Oconomowoc, which is able to provide needed municipal services.

Notes:

- 1) The scale map of the territory to be annexed must clearly show and identify the existing City of Oconomowoc municipal boundary in relation to the territory.
- 2) The Department is aware of a pending intergovernmental cooperation agreement between the Town of Oconomowoc, Town of Oconomowoc Utility District No. 1, and the Village of Lac La Belle that includes boundary change provisions permitted under Wis. Stat. § 66.301(6). At the time this petition was filed with the Department, the pending intergovernmental agreement has not yet impacted the Town's status as unincorporated territory. While the common law doctrine in this area of the law referred to as the Rule of Prior Precedent may at some point sort out these potential boundary conflicts, the Department is required by Wis. Stat. § 66.0217(6) to review and apply the statutory standards to petitions proposed within populous counties, such as Waukesha, and determine if the petition is found to be "in the public interest" or "against the public interest" based on the specific definition contained in Wis. Stat. § 66.0217(6)(c).
- 3) The Town asks the Department to apply the Rule of Reason test to this annexation to determine whether the City of Oconomowoc abused its discretion in soliciting this annexation. However, the Rule of Reason is a creation and test applied by Wisconsin Courts over many years of caselaw. It is not a test found within the Department's statutory review criteria in § 66.0217(6), Wis. Stats. Therefore, the Department declines to apply the Rule of Reason test.
- 4) In its completed questionnaire, the Town contends that elector residents within the proposed annexation territory may not have signed the petition.

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of administration a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any

utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Department of Administration. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please include your MBR number 14723 with your ordinance.** Ordinance filing checklist available at <http://mds.wi.gov/>, click on "Help on How to Submit Municipal Records". Email scanned copy of required materials (color scan maps with color) to mds@wi.gov or mail to: Wisconsin Department of Administration, Municipal Boundary Review, PO Box 1645, Madison WI 53701-1645.

The petition file is available for viewing at: <http://mds.wi.gov/View/Petition?ID=2797>
Please call me at (608) 264-6102, should you have any questions concerning this annexation review.

Sincerely,

A handwritten signature in black ink, appearing to read "Erich Schmidtke". The signature is fluid and cursive, with the first name "Erich" being more prominent than the last name "Schmidtke".
