The marsh and wetlands surrounding it serve important ecological functions and provide critical habitat for wildlife. The marsh is also of historic importance for Indigenous peoples. The City will preserve the marsh and also maintain and improve the trail system that currently exists. There are also plans for interpretive signage outlining the history of the marsh, its ecological significance, and its importance for Indigenous cultures.

Subject: CITY OF SUN PRAIRIE ET AL ANNEXATION

The proposed annexation submitted to our office on September 03, 2025 and as amended on September 22, 2025 has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city...." so as, to ensure the resulting boundaries are rational and compact. The statute also requires the Department to consider whether the annexing city or village can provide needed municipal services to the territory. The subject petition is for territory that is reasonably shaped and contiguous to the City of Sun Prairie, which is able to provide needed municipal services.

Notes: 1) On the scale map, the section labeled as NE ¼ of Section 33 should be shown as the SW ¼ of Section 34;
2) The section corner labeled North ¼ Corner Section 4 should be shown as North ¼ Corner Section 3.
3) Many of the 1/4-1/4 section references in the general location description are Government Lots per the original survey of Sections 33 and 34, and should be shown as such in the description.

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of administration a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Department of Administration. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please include your MBR number 14793 with your ordinance.** Ordinance filing checklist available at <http://mds.wi.gov/>, click on "Help on How to Submit Municipal Records". Email scanned copy of required materials (color scan maps with color) to mds@wi.gov or mail to: Wisconsin Department of Administration, Municipal Boundary Review, PO Box 1645, Madison WI 53701-1645.

The petition file is available for viewing at: <http://mds.wi.gov/View/Petition?ID=2867>

Please call me at (608) 264-6102, should you have any questions concerning this annexation review.

Sincerely,
