Subject: HALL ANNEXATION

The proposed annexation submitted to our office on June 24, 2026, has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city..." so as, to ensure the resulting boundaries are rational and compact. The statute also requires the Department to consider whether the annexing city or village can provide needed municipal services to the territory. The subject petition is for territory that is reasonably shaped and contiguous to the **CITY OF EAU CLAIRE**, which is able to provide needed municipal services.

Although the territory lies within an existing town island, the proposed annexation serves to partially eliminate that irregularity and thereby improves the overall homogeneity and contiguity of the City's boundary in this area. While town islands are generally prohibited under s. 66.0227, Wis. Stats., this proposed action does not create a new prohibited island; rather, it incrementally reduces an existing one, resulting in a more rational and compact municipal boundary consistent with s. 66.0217(6), Wis. Stats.

Note: The scale map of the territory to be annexed should show and identify the point of beginning of the description of the territory, and boundary bearings/distances as contained in the description. The description should be of the territory to be annexed; description by exception is not provided for. (ref s. 66.0217 (1) (c) & (g), Wis. Stats.).

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of administration a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Department of Administration. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please include your MBR number 14857 with your ordinance.** Ordinance filing checklist available at <http://mds.wi.gov/>, click on "Help on How to Submit Municipal Records". Email scanned copy of required materials (color scan maps with color) to mds@wi.gov or mail to: Wisconsin Department of Administration, Municipal Boundary Review, PO Box 1645, Madison WI 53701-1645.

The petition file is available for viewing at: <http://mds.wi.gov/View/Petition?ID=2933>
Please call me at (608) 261-6097, should you have any questions concerning this annexation review.

Sincerely,

Bradley T. Vowels-Katter

Subject: HALL ANNEXATION

Section 66.0217 (6), Wis. Stats., provides that the annexation of lands to cities and villages within a county having a population of 50,000 or more shall be reviewed by the Department of Administration in order to determine if the proposed annexation is in the public interest or against the public interest. The proposed annexation from the TOWN OF WASHINGTON to the CITY OF EAU CLAIRE (see attached description) must be reviewed pursuant to the statute.

To assist us in making this determination, we urge that you promptly supply the data requested on the enclosed questionnaire (where possible) and return the questionnaire to the department.

The purpose of this questionnaire is to assist the department in determining "Whether the governmental services, including zoning, to be supplied to the territory could clearly be better supplied by the town...." The statute further stipulates that the department shall study the "shape of the proposed annexation and the homogeneity of the territory with the annexing municipality." In addition, we would appreciate receiving from you any comments or information bearing on governmental services or shape and homogeneity that would indicate whether the annexation is in or against the public interest.

Please return the questionnaire as soon as possible so that the information can be reviewed prior to the department's statutory deadline of July 14, 2026. Direct any questions and comments to Bradley Vowels-Katter at (608) 261-6097. Thank you for your cooperation.
