WHEREAS, exact maps of the described parcels, along with certified copies of the City of Eau Claire annexations, and the City of Altoona annexation, have been duly filed with the Eau Claire County Clerk; and

					* proposed supervisory district change	

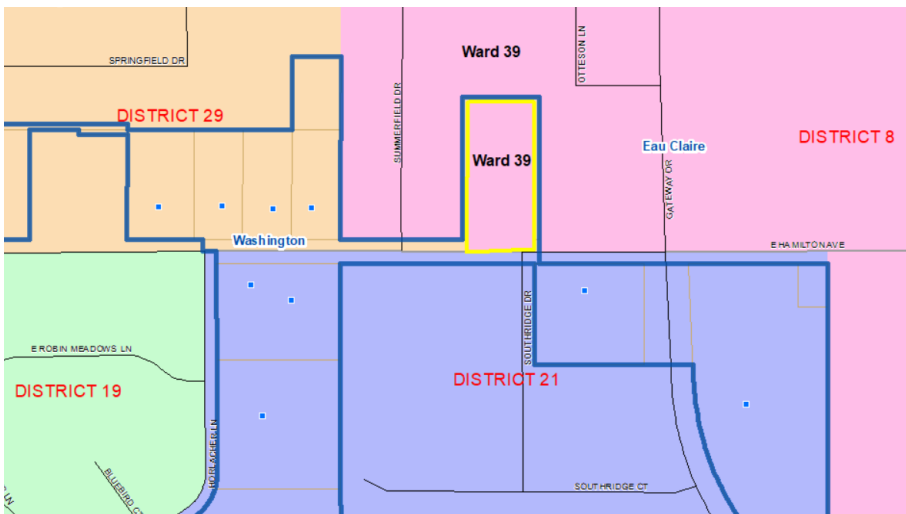

Annexed from Town of Washington to the City of Altoona 3/10/2022 (14) & 8/1/2023 (15)

New City of Altoona Wards 14 & 15 – were Supervisory District 8 → moved to Supervisory District 11. Currently Supervisory District 8 has no constituents in the City of Altoona. Rather than create a new district combo for the City of Altoona with zero voters, Wards 14 & 15 were added to District 11 to have the supervisor boundary follow the City of Altoona boundary. These 2 new wards currently do not have any voters in there. Ward 15 will never have voters as it is part of the Railroad ROW.

Annexed from Town of Washington to the City of Eau Claire 10/4/2022

New City of Eau Claire Ward 75 – was Supervisory District 9 → moved to Supervisory District 10. Currently Supervisory District 9 has no constituents in the City of Eau Claire. Rather than create a new district combo for the City of Eau Claire with zero voters, Ward 75 was added to District 10 to have the supervisor boundary follow the City of Eau Claire boundary. These 3 new wards are designated park lands and will not have any voters in them.

Annexed from Town of Washington to the City of Eau Claire 10/3/2023

Parcel added to existing City of Eau Claire Ward 39 – was Supervisory District 29 → moved to Supervisory District 8. This was to prevent an island and follow the new City of Eau Claire boundary rather than have 1 parcel in City of Eau Claire in District 29 surrounded by the rest being District 8. There is one residence on this parcel.
