Municipal Boundary Review  
WI Dept. of Administration**ORDINANCE NO. 2023-16****Amending supervisory district boundaries to reflect annexations**Executive Summary

On November 9th, 2021, the Jefferson County Board of Supervisors adopted Resolution Number 2021-43 which established 30 supervisory districts for the purpose of electing the Jefferson County Board of Supervisors. Wisconsin statute section 59.10(3)(c) allows the County Board of Supervisors to amend supervisory districts to reflect city and village incorporation, annexation, detachment, or consolidation which has occurred since its last adoption or amendment of supervisory districts and to make such adjustments to supervisory district boundaries as may be appropriate for purposes of election administration. A common practice is for cities and villages to assign the area being annexed to the adjacent ward within their corporate limits and the County Board to amend supervisory district boundaries to match the new corporate limits. This ordinance amends the supervisory district boundaries to reflect the annexations that have occurred since the last County Board amendment on December 13, 2022. To date, two annexations have occurred since the 2022 amendment of the supervisory districts. The annexations are described in detail below and the attached maps identify the annexations. The Executive Committee considered this ordinance on October 25, 2023, and recommended forwarding to the Jefferson County Board for adoption.
